EDITOR'S BOTTOMLINE

The Paris agreement has a target of keeping global warming below 2 degrees Celsius and preferably below 1.5 degrees Celsius. According to estimates made by the Indian Institute of Science, many districts of Karnataka are projected to experience warming of 1.5 to 2 degrees Celsius by the mid-2030s. So, Karnataka may face severe impacts of climate change in less than 20 years. Thus, India and Karnataka must aim to develop long-term institutional capacity for research on climate impacts and vulnerabilities, and more importantly develop implementable adaptation solutions to enable rural and urban communities and natural ecosystems to cope with climate change.

Mitigation leading to a reduction in greenhouse gases or carbon dioxide emissions is a global challenge, but adaptation to climate change impacts will be at the level of farmers, fishermen, villages and Panchayats. Even urban centres such as towns and cities will need adaptation plans, as the report states that the bulk of the population residing in urban areas, including the poor, will be most vulnerable to climate impacts. There is a need for careful transformational and long-term adaptation planning, as the report highlights that some short-term adaptation measures may be damaging the long-term capability. So, Karnataka should aim to develop an "Adaptation Plan" for different crops, forest types, coastal zones, districts, towns and cities.

Blind driver breaks speed record

New Mexico: A race car driver who was blinded in an accident 10 years ago broke a Guinness World Record by driving a customized cat at a speed of 211.043 mph.

Dan Parker took to the track at Spaceport America in Truth or Consequences, N.M., in his customized Corvette and broke the Guinness World Record for fastest speed for a car driven blindfolded.

Parker reached a top speed of 211.043 mph, beating the previous record of 200.51 mph. Parker, who achieved the record on the 10-year anniversary of the day he was blinded in a racing accident, used an audio guidance system to help him control the vehicle during his attempt.

The record attempt was part of the National Federation of the Blind's Blind Driver Challenge.

Over 100 skydivers above 60 attempt world record

California: A group of 107 skydivers, aged over 60 jumped out of planes in California and narrowly missed breaking a world record.

The group - Skydivers Over Sixty, or SOS -, gathered members from around the world in Riverside County and attempted to break a Guinness World Record for the largest snowflake formation while in freefall.

The record, in the category of people over 60, currently stands at 75 participants and was set in Illinois in 2015.

The skydivers,aged from 60 to 78, made seven attempts at the record on Sunday and nearly found success on their final attempt.

"The formation built perfectly. It was just one person that was out. The trick of doing large formations, is that all 107 people have to have a perfect minute at the same minute, " SOS President Dan Brodsky-Chenfield said.

Regulate traffic on Kalidasa Road

Sir,

This refers to the letter titled ***"Never-ending travails on Kalidasa Road"*** by K. Chandrahas in *Star of Mysore* dated Apr. 8. He has rightly pointed out how the pedestrians are not provided proper pavement for easy movement, in spite of having enough space along the length of the Kalidasa Road.

Further, the traffic signal is being put to use regularly. The stretch from Temple Road to Panchavati Circle is made 'one-way' by the traffic authorities.

But still one can come across some vehicles, especially two-wheelers, that are not adhering to 'one-way-rule.' The traffic violators are not only risking themselves but also putting the lives of other motorists and pedestrians in danger.

—D. V. Mohanprakash
Gokulam Road 9.4.2022

II

Sir,

While supporting K. Chandrahas' view points, I have to add that during 2007-2008 there were sign boards erected on Kalidasa Road showing the speed limits to drive on this busy stretch but they are vanished, perhaps.

Therefore, it can be suggested that the provision of making this stretch a 'speed limit zone' may please be reactivated and strictly enforced by the Traffic Police to make this "memory lane of the city," which has the footprints of well-known writer R.K. Narayan and Poet Laureate Kuvempu, safe and walkable for the tax-paying citizens.

BJP will retain power by winning 150 seats: Kateel

Mysuru, Apr. 13 (SBD&DM)- Asserting that the party would retain power by winning 150 seats in the forthcoming Assembly polls, State BJP President Nalin Kumar Kateel said that the party's organisational set up was very much active even during the COVID pandemic by responding to people problems and addressing several issues.

Addressing a press meet at Lalitha Mahal Palace Hotel here on Tuesday, the first day of the two-day Mysuru Divisional meet (Mysuru, Chamarajanagar, Mandya and Hassan districts) of the BJP, Kateel said that he has asked the party functionaries to set aside their differences and work unitedly for achieving the desired target of 150 seats. Pointing out that the party's motto is ' Sarva Vyapi – Sarva Sparsha,' he contended that the people are increasingly reposing their faith in the BJP.

"Prime Minister Narendra Modi's work has been globally acknowledged and taking note of this many leaders of the Opposition Congress and JD(S) are looking to join the BJP. The PM's handling of the COVID pandemic crisis has been appreciated worldwide", he said adding that the BJP relies only on development works and good governance to come to power.

State BJP President Nalin Kumar Kateel, Vice-President Tejaswini Ananthkumar, MP Pratap Simha, former CM Jagadish Shettar, BJP State Vice-President M. Rajendra, Ministers S.T. Somashekar and V. Somanna and City BJP President T.S. Srivatsa seen during the BJP meet at Lalitha Mahal Palace Hotel this morning.

Reiterating that the party will not have an understanding with any other party for the 2023 Assembly polls, he said that the BJP banks on organisational strength and strategies to win the polls. He further said that he has asked all partymen to shed any differences among them and to strive together for achieving success in polls. Also, the local units have been directed to constitute Page committee for every page of the electoral rolls, he added.

Referring to the recent activities of Srirama Sene, which led to communal disturbances in the State, Kateel said that the BJP has nothing to do with the Sene and it cannot be held responsible for whatever the Sene does.

Ministers K.S. Eshwarappa, K.C. Narayanagowda and K. Gopalaiah, MLAs L. Nagendra and S.A. Ramdas, Party office-bearers Arun Kumar, N. Ravikumar, Tulasi Muniraj Gowda , Siddaraju and M.G. Mahesh and other leaders were present. The two-day meet will conclude today with top functionaries of the party from Mysuru and Hassan district taking part.

Farmers protest seeking MSP for all agricultural produce

Mysuru, Apr. 13- Pressing for Minimum Support Price (MSP) for all farm produce and fulfilment of various demands, farmers from various Farmer associations, including Samyukta Kisan Morcha (SKM) , launched a protest here yesterday.

Farmers dumped their produce in front of MP Pratap Simha's office at Jaladarshini Guest House on Hunsur Road in protest, alleging that the farmers across the nation were not getting the MSP though it has been announced by the Centre last year following a year-long protest by farmers.

Farmers and activists demanded that the State Government prove it was buying agricultural produce at the MSP rate. Accusing the State of being insensitive to the issue, they contended that the Government had involved itself in unnecessary issues rather than showing concern for the farmers and addressing other burning issues.

Addressing the farmers, noted activist and SKM Convenor and Swaraj India leader Yogendra Yadav said that Prime Minister Narendra Modi says that the MSP is already there and will remain forever and wanted to know why is it was not available to farmers when it is there on paper.

Asking the Government to show an example of a farmer getting MSP, Yadav demanded that the grave injustice being done to farmers in the name of MSP must stop. The SKM is holding protests, demonstrations,organising seminars and other events in the country from Apr.11 to 17 in support of MSP, he added.

SKM Convenor and Swaraj India leader Yogendra Yadav (third from right) along with other farmer leaders pouring ragi in front of the Office of MP Pratap Simha here yesterday seeking MSP for agricultural produces.

Warning the Government of a long movement if the MSP as announced is not given to every farmer in the country, Yogendra Yadav argued that the farmers are not seeking *Dhaan* (donation), but *Dhaam* (Remunerative price). Pointing out that farmers are *Annadaata* (food providers), he said that they should not beg for better prices. The price for all agricultural produce is the right of growers, he maintained.

Stating that the PM had announced in Feb. 2016 that farmers' income will be doubled, he wondered whether the farmers' income has really doubled in 6 years.

Responding to Yadav's demands, MP Pratap Simha said that the MSP is already there but there were some procurement issues that need to be addressed. Noting that the State Government got Rs.1,341 crore from the Centre for procurements under MSP, the MP said that the issues concerning MSP has been already discussed with Union Minister of State for Agriculture Shobha Karandlaje.

KRRS leaders Chamarasa Mali Patil, Badagalapura Nagendra, Hosur Kumar, Hoskote Basavaraj and Marankaiah, renowned writer Devanur Mahadeva, DSS leaders Gururprasad Keragodu and Bettaiah Kote, S.R. Hiremath of Samaja Parivartana Samudaya, SDPI leader Amjad Khan, activists P. Mallesh, Prasanna N. Gowda, R. Mallige, Alagudu Shivakumar, Devi, Puneeth, Mahesh Prabhu and others were present.

Rs. 14 crore Property Tax

(Continued from page 1)

Last year, the MCC collected Rs. 162.43 crore as against a target of Rs. 205.05 crore. Along with the online system, the existing offline system too was put in place last year where the MCC teams visited house-to-house collecting taxes. This year too, MCC Commissioner G. Lakshmikantha Reddy has asked the officers to mop up tax collection, MCC's In-charge Deputy Commissioner (Revenue) Rangaswamy told *Star of Mysore*.

Tomorrow (Apr. 14) is Dr. B.R. Ambedkar Jayanti and Mahavir Jayanti and Apr. 15 is Good Friday and all Government Offices and banks are closed. "We have decided to open the tax counters at all the nine Zonal Offices so as not to inconvenience the tax-payers and we do not want to turn them away. The respective Revenue Officers will be there along with other staff to collect payments. As banks are closed, cash can be paid at MysoreOne Centres," he added.

The MCC Zonal Offices are located at Yadavagiri, Hebbal, Seshadri Iyer Road, Agrahara, FTS Circle, Gayathripuram, Udayagiri, Sharadadevinagar and near Jayanagar Railway Gate.

Property Tax is collected from the owners by the local Municipal authority and this is the main source of revenue for the MCC to provide basic amenities, healthcare and education within the city limits.

"As per the directive from the Commissioner, officers are undertaking door-to-door surveys to collect Trade Licence fee and there is a good response for that too. We have been able to recover the dues that have been lying uncollected for years," Rangaswamy added.

Contractor's death: FIR filed against K.S. Eshwarappa, 2 aides

Santosh Patil

Udupi, Apr. 13 (Agencies)- A First Information Report (FIR) has been registered at Udupi Town Police Station against senior Bharatiya Janata Party (BJP) leader and Rural Development and Panchayat Raj (RDPR) Minister K.S. Eshwarappa after Santosh K. Patil, a contractor, who had accused the Minister of demanding commission for road construction, was found dead at Shambhavi Hotel in Udupi, with the cause of death suspected to be suicide.

"Udupi Police registered the FIR on the basis of a complaint filed last night by the contractor's family. The Minister has been booked under Section 306 of the Indian Penal Code for abetment to suicide. Two of his aides have also been named in the FIR. Their names are Basavaraj and Ramesh," Udupi Police said.

Patil had checked into the hotel with two friends on Monday. His friends, who were in another room, alerted the hotel staff when Patil failed to respond to knocks. He was found dead when the staff opened the room with a spare key.

Santosh Patil, besides being a contractor, identified himself as the National Secretary of the Hindu Vahini, a right-wing group. Patil had accused Eshwarappa of demanding 40 percent commission to clear the bills for road works taken up at a cost of Rs. 4 crore in Belagavi's Hindalga village.

Patil had raised allegations against Eshwarappa, saying that the BJP leader had been harassing him for commissions to clear the bills for contracts he had implemented for the Government over a year ago. Patil had also said that Eshwarappa should be held responsible if something happened to him.

The Karnataka State Contractors Association had also accused the BJP Government of demanding 40 percent commission for public works.

Last WhatsApp by Patil

A purported suicide note sent via WhatsApp by Patil to some friends in Kannada read: "Rural Development and Panchayat Raj Minister K.S. Eshwarappa, who is responsible for my death, should get appropriate punishment."

The note urged Prime Minister Modi, Chief Minister Basavaraj Bommai and former Chief Minister B.S. Yediyurappa to help his wife and child.

Minister maintains innocence

Eshwarappa

Meanwhile, Minister K.S. Eshwarappa, who was in Mysuru yesterday, said that he had no idea who Santosh Patil was and reiterated that the contractor had not been engaged by his Department. "I got to know from the media that he has named me in the suicide note. I don't know anything else. I don't even know who he is. I don't know what kind of work he has done."

The Minister said he had no clue about Patil's allegation about the demand of cuts or that the contractor had taken up 108 projects, and said Patil should have approached the court where the defamation case had been filed against him.

Patil had said he had undertaken the projects without any work order but on the basis of Eshwarappa's oral assurances. Patil had added that he had taken huge loans to complete the work and was under intense pressure from his creditors.

'No question of me resigning': Eshwarappa

(Continued from page 1)

"There is no question of me resigning. This is a conspiracy against me. I would urge the Government to launch an impartial investigation to bring out the truth and also expose the people behind it," he said, addressing a press conference in Shivamogga at 1.30 pm today.

When asked about the allegations of 40 percent commission, he said, "I am speaking with records in front of me. Should I release money without any documents? Where is the work order? Should I give money for bogus work? I am ready to resign if anyone gives me a single piece of record. All these are creations of my opponents," he said.

High Command sends message

Meanwhile, reports from Bengaluru said that CM Bommai is likely to seek the resignation of Eshwarappa. Highly placed sources told *Star of Mysore* that the BJP High Command has asked the CM to decide on the Minister's fate in two days to control the damage to the party.

Soon after Congress leader Rahul Gandhi tweeted about the incident yesterday, Union Home Minister Amit Shah summoned Union Minister from Karnataka Pralhad Joshi and asked him to discuss the issue with Karnataka BJP In-Charge Arun Singh and CM Basavaraj Bommai.

Rahul Gandhi tweeted, "BJP's 40% Commission Government in Karnataka has claimed the life of their own Karyakarta. The victim's pleas to PM went unanswered. PM & CM are complicit."

Cong., AAP stage protests

Karnataka Youth Congress workers staged protests across the State today demanding the arrest of Eshwarappa. They were detained by Police when they headed for Eshwarappa's residence. Aam Aadmi Party (AAP) workers too staged a protest outside CM Bommai's office.

Cong. delegation meets Guv; demands dismissal of Eshwarappa

Bengaluru, Apr. 13 (KMS & BCT)- A Congress delegation led by KPCC President D.K. Shivakumar and Opposition Leader Siddharamaiah met Governor Thaawarchand Gehlot here this morning demanding the expulsion of Minister K.S. Eshwarappa from the State Cabinet as well as his arrest over contractor Santosh Patil's death

They demanded the Governor to direct the Police to "take cognisance of the abetment to suicide of Santosh Patil by Eshwarappa and his allies". In a memorandum submitted to the Governor, the Congress delegation alleged that the deceased had sent a message through social media terming the Minister "directly responsible" for his death.

The leaders also demanded the arrest of the Minister "in the interest of justice and equity".
